Submit three entries for the price of two!

General Information

About the Custodian Awards

These awards celebrate the best of parks, gardens, grounds and tree management, giving gardens and green space managers the chance to showcase their achievements, reward team efforts and highlight to stakeholders the vital role they play.

Winners will be announced on Tuesday 25 June at a ceremony at Woburn Abbey, which will be run alongside Parks & Gardens Live. Visit www.custodianawards.com to find out more.

Rules for entering

Please carefully check the detailed criteria below before composing your entries.

- Entries and support material must be submitted online via www.custodianawards.com. We advise you familiarise yourself with the entry system before making your submission. Companies or individuals may submit entries on behalf of themselves or others and may enter any number of categories.
- Select the category/ies you would like to enter and submit your written submission and support materials.
- Every third entry will be free to submit.
- The maximum file size is 50MB per entry inclusive of all documentation.
- Please refer to each category for the specific information required, taking note of what the judges will be looking for.

Submission

When entering your submission, the online entry system will ask you to submit:

- **Awards entry summary** (up to 200 words)
 - This should be an overview of the entry - this will be used for promotional purposes if you are shortlisted. We therefore request that you don't include any confidential information within this.
- **Main written submission** (minimum 500 words, up to 1200 words)
 - This is the basis on which you will be judged. This entry should show how you meet all of the criteria in your chosen category. The main submission will need to be inputted directly into the online system. You can type this directly into the system or can copy text from another document, but please ensure the document has no formatting, bullet points or pictures as these won't appear in the system.
- **Supporting materials** (minimum two photos)
 - Please upload at least two images to support your entry. The images need to be a colour JPEG or PDF (minimum of 300 dpi) and must illustrate your entry. You may upload up to a maximum of 5 images.
 - You may upload any additional support material that relate to your entry (e.g. links to videos, testimonials, financial information, etc)

Eligibility

The awards will recognise work that was carried out or completed during the two year period from 1 March 2017 until 1 March 2019. Please note that if you are entering the same piece of work as last year, you will need to be able to show new results and improvements since your submission last year.

The organisers reserve the right to retain entries and images for subsequent publication. Descriptions of submissions from winners and runners-up will be published in connection with the awards. Entrants may mark certain sensitive parts of their entry 'Confidential' or not for publication. This will be respected.

Categories

Parks Management

Open to entry by parks departments from local authorities, trusts or other entities, and also contractors where the contractor has taken on the primary parks management role.

1. Parks or Green Space Service of the Year

Awarded to the urban parks or green space service, which, through use of innovative solutions to problems, exemplary management, effective communication etc., is achieving the best possible outcomes for its service users in the face of current challenges. Judges will be looking for evidence of achievement in areas such as:

- Service innovation
- Community engagement
- Use of technology
- Standards & benchmarks
- Partnership working
- Skills development

2. Best parks restoration or development project

Awarded to the best example of a parks restoration or development project (complete project or single phase) completed in the past 24 months. As well as looking for evidence of best practice in design and installation, judges will also be looking for evidence of achievement with regard to outcomes such as:

- Improved visitor numbers/experience
- Community/volunteer engagement
- Innovation etc.
- Greater landscape/site resilience
- Improved maintenance plan

3. Best Heritage Park

Awarded to the heritage park which in the opinion of the judges, illustrates excellence in the areas most appropriate to the site, for example: Maintenance, environmental practice, horticultural practice, arboricultural practice, conservation, community engagement, volunteer involvement, safety, promotional activity, innovation, overall management and plan, etc.

- Judges will be looking for evidence that entrants' key objectives are being achieved
